Directions to the Moyer Ranch

From Hwy 99 approximately 8 miles north of Emporia, turn north on Rd M and the ranch will be 1.75 miles on the west side of the road.

Feedlot Field Day

October 3, 2017

2:00 pm

Livestock producers and those involved in the livestock industry are encouraged to attend.

Jaret Moyer Ranch

2571 Rd. M

Emporia, KS

Feedlot Field Day

The program will focus on pen placement, cleaning schedule, and management of grass buffers downslope of pens. Additional topics include non-confined feeding and cover crop use, as well as USDA programs that assist cattle feeders, and safe effective cattle handling techniques using Bud Box facilities. A complimentary beef meal will conclude the afternoon.
