JOIN US FOR A FIELD EVENT

Are you in the MOOD for livestock watering options?

Check out this opportunity to observe various options and how they function in different situations.

- tire tank installation
- wet well
- solar panel systems with tanks
- hardened crossing
- portable water

August 22: 3:30 pm - dusk
August 23: 8 am - 4 pm

Supper provided on 8/22, and lunch provided on 8/23, with snacks and drinks throughout the event.

Dole Specter Conference Center
1430 S Fossil St.
Russell, KS 67665

We will also have several field visits in Russell and Ellis Counties

PLEASE TEXT OR EMAIL YOUR RSVP:
785-769-3297 OR SEDGETT@KSU.EDU

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services, and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means of communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact two weeks prior to the start of the event. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English proficient individuals upon request.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service. K-State Research and Extension is an equal opportunity provider and employer.

This cooperative project is funded in part through Section 319 of the Clean Water Act.
